

## Shop at Kroger, donate to Joyful Sounds at no cost

- You need a Kroger (or Kroger owned store) Plus account
- You need an e-mail address and password associated with the Plus account
- If you are far away, you may need to make a central Indiana store your favorite long enough to sign up Joyful Sounds as your recipient. Then you should be able to choose a more local store as your favorite
- This has no impact on your discounts, or your gas points

on Kroger.com, pull down **Savings & Rewards**

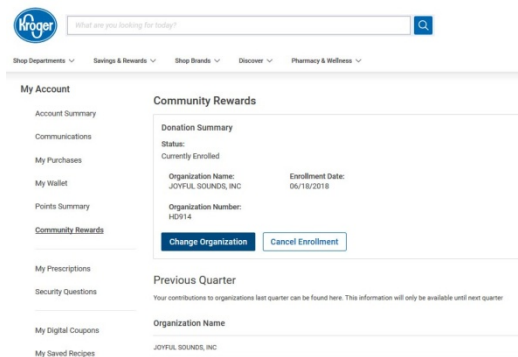

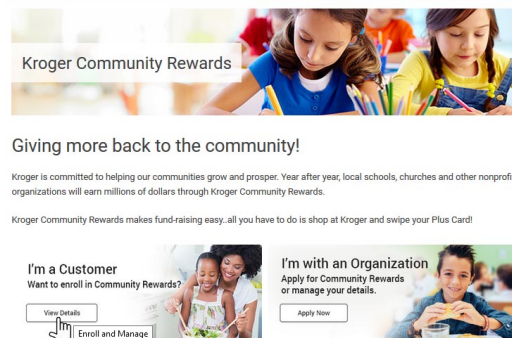

and select **Kroger Community Rewards**

Near the bottom on the left

In the area marked

**I'm a Customer**

Click on **view details**

At this point you would need to log in with your account credentials (your email address and your Kroger password). Then you would be able to choose your Community Rewards Organization.

We're #HD914 or Joyful Sounds Inc. If we're not on your list, you may have to select a store near to us as your favorite (try Brownsburg – zip 46112) for us to appear.

And that's it.
